

# What is therapeutic horticulture?

## **Brown-Bag Lunch Agenda**

24 August 2018 | 12-1 pm

*What can therapeutic horticulture (TH) do in your communities? How can UW-Extension support your needs so that you can attain your outcomes?*

**I. At your table: brief introductions**

**II. List 3 specific needs identified in your work:**

- 1.
- 2.
- 3.

**III. How could TH address one of these needs?**

**IV. List intended outputs.**

**V. What are your intended outcomes? (see back)**

**VI. Who are your allies? How can we collaborate? How can UW-Extension support you?**

**VII. Questions, Comments & Discussion**

An EEO/AA employer, University of Wisconsin-Extension provides equal opportunities in employment and programming, including Title VI, Title IX, and the Americans with Disabilities Act (ADA) requirements.

<b>OUTCOMES</b>		
<b>SHORT</b> <i>(Learning)</i>	<b>MEDIUM</b> <i>(Action)</i>	<b>LONG-TERM</b> <i>(Conditions)</i>

*Thank you for your participation in our therapeutic horticulture informational sessions!*

*The resources we shared have been posted online:  
<https://marathon.uwex.edu/therapeutic-horticulture-in-marathon-county/>.*
