Fair Category Entry Descriptions

Grade Categories: Grade 13, 12, 11, 10, 9, 8, 7, 6 and under - Walk Trot Canter

These grade level classes are for experienced, seasoned horse show exhibitors. All classes are Walk Trot Canter. If you went to Expo or if you show in open or breed shows, you must remain in this category – going back to Novice is not allowed even if you have a different horse.

Exhibitors in this category can qualify to compete at the State 4H Expo. Specific requirements are found in the Fair Book under the Horse Department.

Novice – Walk Trot Canter (all grades)

These classes are intended for exhibitors who are beginning to develop their horse show skills and education. The exhibitor Walk/Trot/Canters their horse in a safe manner with other exhibitors and their horses. They do not display precise showmanship/horsemanship skills, have not consistently won blue ribbons, and have not shown in open or breed shows. Open shows do not include Marathon County 4H shows or prior showing at Marathon County or Athens Fairs.

Novice – Walk Trot (all grades)

These classes are intended for exhibitors who are beginning to develop their horse show skills and education. They do not display precise showmanship/horsemanship skills, have not consistently won blue ribbons, and have not shown in open or breed shows. Open shows do not include Marathon County 4H shows or prior showing at Marathon County or Athens Fairs.

Horseless Horse – Walk Trot: (grades 9-13, grades 6-8, grades 3-5)

These classes are for exhibitors who do not own, lease, or manage a horse. These exhibitors can use a horse that is also shown by a 4H exhibitor. The horseless horse exhibitor must work with the horse no less than 3 months prior to the fair. Horseless horse exhibitor's 4H buddy and the owner have the final decision regarding participation at the Fair based on exhibitor's involvement with the horse and for safety reasons. This category is Walk Trot only.

Exhibitors in this category can qualify to compete at the State 4H Expo. Specific requirements are found in the Fair Book under the Horse Department.

Therapeutic (all grades) - Walk Trot

These classes are for exhibitors with special needs due to cognitive or physical capacity. Exhibitor cannot enter any other division. Lead person/persons must be 18 years or older. Parent/Guardian must be present for exhibitor to show. These classes are Walk Trot.

Youth will be judged in a separate lead-line division with accommodations to insure the safety of the rider and the horse. Each exhibitor shall provide, at the time the entry form is submitted, the following documentation: (1) a physician's signature stating the exhibitor is allowed to participate in equine activities (2) a statement from a therapeutic riding instructor or physical therapist that the exhibitor has worked with, in addition to information indicating the lead length and or the number of side walkers required (if at all). (3) written permission from parents/guardian for participation in the show. Parent/Guardian should contact the Jr. Fair Superintendent in writing, (at 212 River Drive, Wausau, WI 54403) requesting participation in this division.
