

# 2019 Dairy

4-H Club or FFA Chapter \_\_\_\_\_

Cell phone # for club contact *(this will be used if there is a health concern and the owner of the animal needs to be contacted while at the fair)*

## 2019 Wisconsin Valley Fair Dairy Identification Log

<b>Exhibitor's Name</b>	<b>Animal Owners Name</b> <i>(if different than exhibitor)</i>	<b>Address where animal is housed</b> <b>(include town)</b>	<b>Breed</b>	<b>Date of Birth</b>	<b>Official ID#</b> <i>(eartag, tattoo, reg. #)</i> <b>Metal Tag is preferred!</b>	<b>Type of ID</b> <i>(breed reg., tattoo, metal tag)</i>	<b>Nickname of animal</b> <i>(Name by which she will be known)</i>

\*\*\*Please make sure this is legible. Metal ear tag numbers are preferred for health check-in. Registration numbers will take much longer. Be sure to write in the nickname of the animal so the exhibitor/owner can more easily identify animals as they come off the truck. Feel free to use as many sheets as necessary – best to use a separate sheet for each truckload of animals.
