

UW-MADISON EXTENSION

2020 Project Discovery Day

Saturday, February 22

Project Class Listing

Class Name	Description	Participation is Open to:	Instructor
Beyond the County Fair	4-H is so much more than just the county fair! In this workshop, we will cover some of the opportunities for youth primarily grades 7-13th that go beyond the county fair; from trips to Washington D.C. to a state drama team and so much more!	Youth Grades K-13	Ella Breitenfeldt
Collections Clinic	Are you a collector, archivist or hoarder? Did you know that this is a part of 4-H Arts and can be entered in the fair? This clinic will explore how to start, maintain and showcase your prized collections.	Youth and adults	Jacky Luetschwager
Drama - Monologues	How to develop individual performance for your audience.	Youth and adults	Janet Sann
Four Tips for Better Photos	Taking pictures is a popular activity that touches our lives every day. But would you like to make the step from just taking pictures to making photographs? This presentation demonstrates four tips that you can use with any camera to take and make exciting and memorable photographs.	Youth and Adults	Michael Martens
Rabbits 101	Learn the basics of having and showing rabbits. We will cover many aspects of the rabbit project such as registering your rabbit correctly, how to do showmanship, caring for your rabbit, and answer any questions you have.	Youth and Adults	Kathe and Ella Breitenfeldt
V.I.P. Training	Volunteers in Preparation or V.I.P. Training is required for all new UW-Madison adult volunteers. This is open to all prospective volunteers, and those who would like a refresher.	Adults	Kaitlyn Bernarde
Wool Needle Felting	In this session you will learn how to use wool and special needles to felt a figure out of wool. (\$3)	Youth and Adults	Jennifer Loucks
