

Non-Exhibitor Showmanship Agreement

Year 2020

The purpose of this agreement is to document a relationship between an “Exhibitor” in the animal departments of the Wisconsin Valley Fair and another junior fair exhibitor who is participating in the animal project but does not own or have managerial access to an animal for exhibition (“Non-Exhibitor”).

The “Exhibitor” agrees to allow the “Non-Exhibitor” to use one of the animals that they are showing at the fair in a non-exhibitor showmanship class. The “Exhibitor” will work with the “Non-Exhibitor” prior to the fair and allow them to practice leading, grooming, and otherwise preparing for the showmanship class.

This form must be attached to the exhibitor’s Code of Conduct Agreement when it is sent to the 4-H Office for processing. A separate form must be prepared for each species (i.e., if you are entering a Non-Exhibitor class in Dairy and Sheep, two forms will be required.)
