

## IN-PERSON CLUB AND PROJECT MEETINGS

### You CAN have in-person meetings, BUT...

4-H programs from April 1 - June 1 will have reduced restrictions. New guidance includes:

- Increasing total event participants to 50 indoors (or 30% of room capacity) / 150 outdoors
- Increasing pod numbers to 20, with additional flexibility to have one large group if there is no safety reason to have participants in pods (i.e. watching a movie in a theatre)
- Increasing length of indoor events to 4 hours

Even though we are all itching to get back to programming, the pandemic is still here and we still need to practice these safety measures, while starting to reconnect to our clubs and communities.
