Statewide Educational Experiences Scholarships

Each year, the Wisconsin 4-H Foundation provides a sum of money to the State 4-H Office for needs-based scholarships for youth to participate in statewide Educational Experiences. Wisconsin 4-H believes that cost should not be a barrier to program participation. Youth can apply for a scholarship by submitting their information at the Qualtrics form linked below. The responses to this form will remain confidential and will only be shared with a small committee that will be managing the scholarship funds.

Wildlife & Woods Virtual Classes

Outdoor enthusiasts connect with other 4-H youth of all ages from around the state. Together, we explore the natural world with a special focus on wildlife, wildlife habitats, and trees. Participants learn about wild places across the United States following the 4-H Wildlife Habitat Education Program (WHEP) and the 4-H Forestry Program. Materials are designed for all ages and knowledge levels, so everyone can benefit. Since the sessions are co-presenter by youth and adult leaders, the youth leadership opportunities are plentiful.
