Marathon County Upcoming Events, Programs, and Activities

Welcome to Marathon County 4-H, Erin and Malina

This summer, we have two additional AmeriCorps/4-H Program Assistants joining our 4-H team. Both young adults have previous 4-H experience and come to us ready to jump into our summer programming.

Erin Sabo grew up in Minnesota where she was heavily involved in 4-H. Erin graduated this spring from South Dakota State University where she majored in Agriculture Leadership. She was able to grow her passion for youth development and 4-H through her time in the program. Additionally, she enjoyed learning about different leadership styles. Erin looks forward to getting to know the youth and seeing them grow this summer through our 4-H programs!

Malina Carattini is a former Marathon County 4-Her. She recently graduated from Mosinee High School and is a member of the track and field team that is participating at the State Meet in LaCrosse this weekend. Malina is passionate about youth health as she is a member of the PATCH Advisory Program. Malina looks forward to our busy summer working with youth throughout Marathon County 4-H.

When you see Erin or Malina, please give them a great big welcome.

WI 4-H Upcoming Events, Programs, and Activities

Statewide Educational Experiences Scholarships

Each year, the Wisconsin 4-H Foundation provides a sum of money to the State 4-H Office for needs-based scholarships for youth to participate in statewide Educational Experiences. Wisconsin 4-H believes that cost should not be a barrier to program participation. Youth can apply for a scholarship by submitting their information at the Qualtrics form linked below. The responses to this form will remain confidential and will only be shared with a small committee that will be managing the scholarship funds.
