Day of the Dead with Monk Botanical Gardens

Join 4-H Educator Jasmine, in partnership with H2N and Monk Botanical Gardens, for an evening to celebrate "Day of the Dead" on November 1st. Experience a celebration of Day of the Dead by participating in family-friendly activities (painting a mural, painting sugar skulls, and making unique papel picado), listen to a live mariachi band, and watch our very own 4-H Folkloric Dance Group perform! This event is \$5/person OR only \$1/person if you dress in a traditional Day of the Dead costume. Hint: Jasmine will be talking about traditional/appropriate costumes to wear at her Oct. 28th event! More details can be found at <https://blossomoflights.org/special-events/day-of-the-dead/>

BLOSSOM OF LIGHTS

Monk Gardens is honored to partner with 4H and H2N to celebrate the Hispanic tradition of “Day of the Dead” on Wednesday, November 1st during Blossom of Lights. This special event is one that people in Wausau and surrounding areas will NOT want to miss.

Wausau is full of cultural diversity (we have neighbors from Mexico, Nicaragua, Venezuela, Colombia, Ecuador, Argentina, Chile, Brazil, Afghanistan, Congo, Syria, and Burundi). We are very excited to see that the community will be able to experience, learn, and participate in a celebration of a significant holiday that highlights part of our roots and is close to our hearts. With this event, we hope that people in our community connect and build relationships with other cultures that are settling in Central Wisconsin.

El Día de los Muertos (Day of the Dead) is a holiday that has been passed down by generations in our families and that is part of our culture. We have been celebrating it since we were growing up (Jasmine - every year with her grandmother in Guanajuato, Mexico), in our community, and in our schools (Mariana - during her school years, she used to write “Calaveritas literarias”, which are little poems that seek to talk a little about a family member, friend, or celebrity who passed away. These are written in rhyme and seek to highlight some specific characteristics of the protagonist).

This holiday gives us the opportunity to set up an ofrenda for people (and pets) in our lives that we still remember every day but are no longer physically present (for Jasmine is her great-grandmother, great-grandfather, grandfather, and cousin; and for Mariana is her brother, and grandparents). It is believed that the spirits of our loved ones that have passed away return to Earth on November 1st and 2nd. To welcome them we prepare an ofrenda (altar) that

is adorned with photos of our deceased loved ones, their favorite foods, and drinks. There are many other items that serve as symbolism like sugar skulls (representing the loved one’s soul), salt, candles, cempasúchil flowers (marigolds), water, crosses, copal, papel picado (paper cut-out decoration), and pan de muerto (sweet bread). The flowers mark the path that the dead must follow during the visit they make these days and are placed in the offerings and around the graves. Families visit the graves of their loved ones and set up offerings as well.

Like any other celebration, the Day of the Dead is filled with music and dancing. Please stop by our booths at the Gardens on November 1st from 5:30 to 8:30 p.m. to celebrate with us.

WI 4-H Upcoming Events, Programs, and Activities

Shooting Sports

Have you tried shooting sports? Open to youth in grades 3 and up, there are many disciplines to choose from. From archery, to air pistol and air rifle, as well as the summer shotgun program. The Central Wisconsin 4-H Shooting Sports program is a great program for youth to gain skills outside of the norm. Self discipline, decision making, problem solving, and self confidence, just to name a few. If you are new or returning, this program may be just what you are looking for.

The open house and orientation is scheduled for December 3rd at the Central Wisconsin Sportsman's Club, in Marshfield. The open house starts at Noon, which allows new and returning members to check out the equipment and talk with instructors and get any questions answered that you may have.

And new this year, we will have a newcomer orientation, that is at 12:45. This is for youth who are new to the program, or those interested in going through the orientation more in-depth. Sign-up will start at 1pm. This year, we will be trialing a new format of orientation, which includes not making the orientation mandatory for returning members. The 12:45 orientation will be mandatory for all new members. We will ask all youth and adults to sign the rules, and acknowledge them as read. Those that attend the 1pm sign-up will have first choice for line times.

We will also have the bow rental program running, which allows youth the opportunity to rent the equipment for the season, and not only use it at practice but also practice at

home and/or attend other shots/tournaments put on by other counties.

We are excited for the 2024 season and can't wait to start! If you have any questions, please email Liz Knutson at jlcaknutson@yahoo.com.
