4-H Dog Quiz Bowl

On May 18th, a team with the WI 4-H Dog Project is having a fun day of hands-on activities to learn more about dogs and what dog quiz bowl is all about. This will be great for youth and for volunteers to learn about activities they can do with their teams. You don't need a team to participate - all 4-H members are welcome to come and learn with us. No prior experience is necessary, just an interest in learning more about dogs.

Please note this is not a Dog Bowl Contest. It is a day of fun learning activities about dogs that can be used to practice for future contests. One activity example: we will project an image of a dog on the wall, and you will work as a group to label the body parts.

Also, we will not be working with dogs on this day - so make sure to leave your four-legged friend at home.
